A. Community Engagement

Art Rodriguez asked if he could get the number of veterans who are between the ages of 55-60, and are also paying out of pocket for ARC membership fees, because he is working on a grant to cover those funds. The American Legion had an oratorical competition for the state. A high schooler from Normal may end up going to the National competition. It is unnecessary to have a veteran in the family for students to apply. VFW also has teacher of the year coming up soon. Boys State and Girls State will be ending if not enough students apply. Trustees asked if Art could speak about various scholarships at the next ARC Advisory meeting to consider placing a bulletin board at the ARC for grandparents who are interested in assisting their grandchildren with scholarship information.

Sally Pyne attended Jack Keith's local history program at the ARC. She also spoke about ISU Senior Professional programming, and possibly creating a reciprocal partnership with ARC programming.
