6. **Meeting Intent**

Natasha noted that the intent of this meeting is a brainstorming session between Township Board and ARC managers to create understanding and lasting solutions to issues that need to be addressed.

The following items were discussed: Chain of Command moving forward, communications (as well as everyone's preferred method of communication), and how to contact who for what.

Several commitments were made. ARC managers agreed to send the Township Board members a schedule for all manager meetings at the ARC. Township Board members agreed to send a representative to these meetings once a week.

Township Board agreed to create and send via email a phone and email list for all Township employees.

ARC managers requested that the Township Board consider sending out bullet points regarding what changed in a policy when policies change.

ARC managers also requested partnership in increased understanding of the Township budget, as it directly impacts their business.
